Subject: RE: Texas regional Haze

We haven't actually scheduled that webinar yet, but we have set March 31 as a tentative date with the FLMs.

Let me get back to you EPA participation – I'm still trying to get direction on who needs to participate on our end.

Thanks,

Walker Williamson

Walker – I think you mentioned on the CENSARA call that you had scheduled a webinar with the FLMs as well. Would it be possible for us to participate in that discussion?
